NEWBERRY, S. C., FRIDAY, JULY 22, 1921.

## ADDITIONAL STREET PAVING FOR NEWBERRY

The town council at a special meeting held on Monday night voted in favor of the paving of the following parts of streets:

Main street, from Vincent street across railroads to Drayton street.

Boyce street, from the present brick pavement to Nance street.

Nance street, from Harrington street to Friend street.

McKibben street, from Main street to Friend street.

The council has made arrangements to get the necessary money to do this work. The work is to be done, however, on the abutting property plan, that is the abutting property owners are to pay one-half and the town is to pay one-half. Two-thirds of the abutting property owners have to sign a consent to the paving before it will be done. We have already secured necessary signatures as to the paving of the Main street extension and as to the little piece on Boyce street. So far the signatures have not been secured as to Nance and McKibben street.

The council feels certain that a big majority of the people of the town will favor the paving on the streets named. These streets are not only important business streets, but the present condition of the streets makes some of them, particularly the Nance street block and the McKibben street block between Friend street and Main street, unhealthy. The paving on Nance street will prove a great benefit to the fire department as well as to the town generally. The chief of the fire department estimates that at least four-fifths of the responds to fire alarms necessitate the fire engine turning out into the south side of Nance street. The people who want health and who want fire protection should certainly favor the paving of this street, especially so when these fire boys serve their town free of charge. If we had to pay these boys a reasonable amount for their services, we would soon expend more than the cost of the paving of that part of Nance street.

Council wants to do the best it can. If those who own property on the streets named want to stand in the way of health and fire protection and other progressive movements, it is up to them. We do not wish to press anybody, but the petition must come to us pretty soon.

Respectfully,

Eugene S. Blesae,  
Mayor.

## Baseball.

On the 20th at Pomaria the Jolly Street baseball club played two games at the Woodmen picnic. The first game was between Jolly Street and St. Phillips and was won by Jolly Street 13 to 5. The game was featured by the hitting of the entire Jolly Street club, especially Cromer. The Jolly Street outfield fielded brilliantly. In the second contest Jolly Street defeated Molohon 14 to 4 in five innings. The features of the game was the pitching of Alewine Danielson for Jolly Street, striking out six men, including the heavy batters, Dean and Paysinger, of Molohon. The hitting of Johnnie Stuck was another feature.

## The Union Service

The union service for Sunday, July 24th, will be held in the Lutheran church at 5 o'clock in the afternoon. This change in time is to combine the union service with the mass meeting to hear the Rev. "Bob" Jones who will speak at the Lutheran church at that hour. Mr. Jones is touring the state under the auspices of the Inter-denominational Sunday School association. He is an evangelist of national reputation. The subject of the address is, "Fishers of Men."

## Higgins Not Guilty

Corruna, Mich., July 18.—Fordet Higgins was acquitted of a charge of having murdered his fiancée, Lucy Wittum, by a jury in circuit court here tonight. The jurors deliberated the evidence less than two hours and took but two ballots, the first being 10 to 2 for acquittal.

If Admiral Sims had his way, he would have our navy in hot water all the time.

And these are some poor rules that won't work any way at all.

## PREVENTING TYPHOID FEVER AND SMALL POX

Newberry county and the South Carolina State Board of Health are offering free protection against sickness or death from each of these diseases to every white and colored man, woman and child in the county.

This treatment is used by the U. S. Army and Navy and by the best physicians all over the civilized world and has reduced these diseases to a minimum. Three treatments are necessary for typhoid. Each is harmless, practically certain and almost painless. One vaccination for small-pox is usually sufficient.

Bring the younger children. Save them—they cannot save themselves. We wish to improve the health of black and white, old and young, rich and poor.

We ask the cooperation of the doctors in this movement. If you prefer, your family physician will give you the treatment—otherwise come to the place nearest you.

Below is given a schedule of the dates and places for this free treatment:

Mondays—August 1, 8, 15, 22; Silverstreet, 10-12 a. m.; Chappells, 2-4 p. m.

Tuesdays—August 2, 9, 16, 23; Prosperity, 10-12 a. m.; Little Mountain 2-4 p. m.

Wednesdays—August 3, 10, 17, 24, 31; Glymphville, 11 a. m. to 1 p. m.

Thursdays—August 4, 11, 18, 25; Jalapa 10-12 a. m.; Kinards 2-4 p. m.

Fridays—August 5, 12, 19, 26; Whitmire 11 a. m. to 2 p. m.

Saturdays—Throughout August and September, Newberry, 504 Exchange Bank Bldg., 9 a. m. to 11 a. m.

The exact location where these treatments are to be given has not been determined but information will be given you at the post offices or any public stores where you may find the physician and nurse administering treatments.

Newberry County Health Officer.

## Baseball

We were sorry to disappoint one of the largest crowds of the season last Saturday, on account of Clinton not coming. We wish to thank the people of Newberry for their support of our club.

We are going to play a picked club from the Ridge association here on Saturday, July 23rd, and if you want to see a corker make it your business to come and see it. We will have the best amateur line-up in the state for Saturday. Look it over, and see: Capt. Tug Cromer, catcher; Pump Luther, pitcher; 1st base, "Big" Bouknight; 2nd base, Steve Vaughn; 3rd base, Danielson; S. S., Frank Shealy; left, Long Hiller; center, "Munch" Werts; right, Johnnie Werts and "Leg" Shealy will probably be rushed in somewhere to relieve some one. Now people, doesn't it look like you will see a good game for your three thin times? Yes. You will never regret it. So be sure to come. Men, 30c. Ladies 20c.

Saturday, July 23rd, at the West End ball park, game called at 4 p. m.

There will be plenty of good jazz music by the West End Concern band. Please bear in mind that Luther and Cromer will be batteries for West End. Umpire, Hardeman.

Mgr. Murphy.

## Fulmer-Cromer

Miss Ethel M. Fulmer and Mr. John Forrest Cromer were united in holy wedlock Saturday evening, the 16th instant, at 8 p. m., at the parsonage of Mayer-Memorial E. L. church, Pastor W. H. Dutton officiating. The bride is the daughter of Mr. and Mrs. W. E. Fulmer. Mr. Cromer is the son of Mr. and Mrs. Bachman Cromer, who live in the section of Macedonia Lutheran church.

## Card of Thanks

We wish to take this means to thank the many good people and friends of our community for their many deeds of kindness shown us during the recent illness and death of our loving little girl, Dorothy Elizabeth.

We also extend our thanks to our physician, Dr. Ellesor, for his untiring efforts. It pleased the All Wise Father to take her. So we submit to His will.

Mr. and Mrs. Robt. M. Powell.

We never know how little some people know until they begin to talk.

## Trade and Pleasure Week August 3-6

*The merchants of Newberry have united to make these days full to overflowing, of pleasure, for visitors. Merchandise values will be in keeping with the other attractions offered.*

## MEETING OF COUNTRY CLUB MEMBERS AT COURT HOUSE

A called meeting of members of the Country club was held July 18th at 8:30 p. m. at the new court house. Mr. W. S. Matthews suggested that a chairman be nominated to take charge of the meeting. Mr. I. H. Hunt nominated Mr. Z. F. Wright who was elected chairman. Hal Kohn was elected acting secretary.

Mr. Wright opened the discussion with some sound and very sensible remarks on the proposed Country club. The keynote of his remarks was that this club must be run in a business like manner and be clean in every respect. He stressed the fact that the moral tone of the club must be high or else the project would be a failure. He told of the mistakes which many clubs had made and strongly advised against organizing a club here unless it would be conducted in such a manner that our wives and lady folk would be welcome at all times.

Senator Johnstone was an interested listener and being called upon for some remarks and suggestions he responded and told the meeting that although he did not know much about a country club still from what he had been told it was a fine idea and one which would be conducive to a better feeling in the community as well as place of recreation.

Mr. Gus Summer stated that this should be a county-wide proposition and suggested that every town in the county be canvassed for members and that they be assured that this club would not be a local organization but one for Newberry county to enjoy. His suggestion met with hearty approval and committees were appointed to visit all the towns in the county and secure memberships, as well as complete the canvass for members in the city of Newberry. This committee was appointed by Mr. Wright, as follows: White Fant, Owen Holmes, Will Matthews, Dr. Setzler, Lad. Eskridge, Jim Moon, E. A. Carpenter and Hal Kohn.

Secretary read the names of the 126 signers of the petitioners and it was agreed that this list contained nothing but good names and that the contemplated membership of 150 could be secured very easily and that the aim be 200 members.

Mr. I. H. Hunt made a motion that the following plan be suggested for the payment of the organization fee of \$100, (which motion was later amended by Senator Johnstone and reads as follows) that \$25 be paid at organization, 25 thirty days later, 25 sixty days later and the last 25 still 60 days later.

Motion was made that chairman appoint an Organization committee of five, as follows: I. H. Hunt, chairman; H. M. Bryson, E. E. Stuck, Jim Johnson and Lad. Eskridge.

Motion was made and carried that committee on site be named as follows: Duncan, chairman; Herman Wright, McHardy Mower, E. E. Child, of Whitmire, Dr. Hunter of Prosperity and Welch Wilbur.

Publicity committee was appointed, consisting of Hal Kohn, chairman, Metts Fant, T. M. Seawell, Malcomb Johnstone.

It was agreed that next meeting be held Monday night, July 25th at 8:30 in the new court house and that the action taken at this meeting and by the committees be not considered as binding but merely as tentative suggestions.

## GETTING THE PAPER OUT THE HERALD AND NEWS TWICE

The Man Who First Spoke of Bringing Order Out of Chaos Must Have Been a Newspaper Reporter

Friend Burr Martin says if we don't write a thing immediately after jutting the notes down in our book we won't be able to make it out. He got that off first as a joke, but it turns out to be true if we wait two or three days. Horace Greeley couldn't read his own notes often. We just say this in excuse for sometimes failing to get out a local out of state notes. This is only one drawback to the work. There are many drawbacks. Some of these were recounted in Tuesday's paper, under the heading, "The Reporter Works in Confusion," as related by one in the Craftsmen number of the American Printer, in which he began his article with these vivid words: "Clatter to right of him, how can he think?"

There are two days in The Herald and News office called our busy days, although every day in the life of a live newspaper is a busy day; but there two particular days are our press days—Mondays and Thursdays—and they do come so darned "regular," showing life in Newberry these days to be just one darn thing after another. To begin with. Say it's Monday morning, and that we went to church Sunday morning and night and heard Sunday sermons and extra fine music with a beautiful duet or solo on both occasions. We start to the office with mind filled with inspiring thoughts of the services. Before we get to the office we hear of an inquest held the day before or to be held that morning. While on the way to get the news of the killing, someone asks if we have heard of the Saturday night or Sunday marriage, and sometimes both, or of a death that has just occurred. Perhaps too it is salesday or the beginning of court week, and we haven't as yet been around to the sheriff's office or the magistrate's office or the recorder's court or any other place we have to visit on our rounds. But we hurry to the office to do the best we can.

Some city editors have reporter's under him to cover certain fields. This city editor, commonly called reporter, has all this work to do alone, also attending through the exchanges and doing other things, besides attending to his home affairs.

Just as we put a sheet of paper on our typewriter and begin to think how to make a start, here comes someone through the doorway walking just as straight as he can to the reporter. Sometimes it is for a back number of the paper, or to have an address changed, or a complaint that the paper is not delivered, or it is a request for the rushed reporter to write a notice. All this time his full notebook remains untouched, and there are so many important matters to be attended to. (Right here we would like to tell everybody to make a bee line for the chief editor's corner.)

ner, where some one is ready for business.) Well, we begin the translation of our notes. We want to say something favorable of the fine sermon and the beautiful music which we enjoyed the day and the night before, and you know it takes a little thought to write above the low level of the ordinary run. Anybody can dash off the commonplace without any trouble, but who can write decently amid confusion and interruption? But we have to condense the Sunday matters for the other news before us, while the editor says to hurry with the copy to make the mails. We hurry, or the locals will be left out. Dashing it all up as fast as possible we run out of the office to trace up another new street rumor just beginning to float, when we meet up with some Tom, Dick and Harry on the corner, and they can not understand why we are in such a hurry, thinking it strange that we don't tarry to hear the joke which they have so much time to get off. After racing around the circuit and gathering up all that people will tell us of persons going and coming, etc., we get back to the office, often to find that there is no use in writing any more, as there is already more copy than can be handled for that day; consequently, articles handed in and other matter have to be left over until next time.

And this goes on forever, week after week. The seasons come and go. Many people take vacations every year. They feel that they are obliged to have rest. Some reporters may have vacation some times. We know they all do, not that a few of them perhaps never have a rest. The only recreation some of them have is the picture show. Wonder if anybody thinks that is too much? Newspaper work is never-ending. Just as soon as one paper is out, we have to begin on another, although so many people think, or at least they seem to think, that when the paper is out there is nothing more to be done until "next time." Well, "next time" begins right away.

We don't like loafers, but we wish some good fellow with lots of time on his hand would come around some Monday or Thursday and stand by the reporter all the day long.

## Little Mountain Reunion

The Little Mountain reunion for Newberry and Summerland colleges will be on Friday, August 5th, beginning at 10:30 o'clock a. m.

The committee on program has been very fortunate to secure Mr. Blair Stoudemire to make the address of welcome; B. B. Hair, Esq., of Saluda, S. C., to speak on "What We Alumni Owe Our Colleges, and How Can We Repay?" the Rev. H. A. McCullough, D. D., of Columbia on "What the Lutheran Church in Our State Owe Our Colleges, and How Can She Repay;" and the Rev. H. A. Kistler of Pomaria on "The Duty of a Pastor of Synod Toward the Colleges."

J. B. Harman, Secretary.

## Burial of Ernest Longshore

The local papers Tuesday carried the announcement of the arrival Monday afternoon of the body of Ernest M. Longshore, son of Mr. and Mrs. H. T. Longshore of Newberry, young Longshore having died of pneumonia in France October 17, 1918. After lying in state at Baxter's Undertaking establishment until Tuesday afternoon, the body was conveyed to the cemetery at Smyrna church, the following members of the local post of the American Legion acting as pall bearers: Dr. Jno. B. Setzler, Dr. Keifer Wicker, B. M. Scurry, Eugene Norris, Sam Crotwell and Gordon Blackmon. Other members of the post attending the service were W. S. Matthews, Hal Kohn, Duane Livingstone and Jackson Bowers. The service was conducted at the church at 3 o'clock, by the Rev. Mr. Key, pastor, assisted by the Rev. Mr. Martin, a visiting minister. The American Legion had charge of the funeral.

## Notice to Scouts

The regular weekly meeting will be held at the same time and place on Friday afternoon. Be sure to bring your applications. There will be some business to transact, and the remaining time will be devoted to tenderfoot tests.

Carl Julien,  
Scout Master.

## STATE AID FOR NEWBERRY COUNTY YEAR PASSED

Statement Received by Supt. Aull From State Superintendent of Education for Year 1920-21

To the County Treasurer and the County Supt. of Education. Gentlemen:

The enclosed statement gives the amount of State aid paid to the schools of your county by the State Superintendent of Education during the scholastic year 1920-21. In every instance the original warrant went to the county treasurer in accordance with law. Duplicate copies have been furnished the county superintendent and the county auditor for the records of their offices.

The usual folder giving these facts for the forty-six counties of the state is now in the hands of the printer. The strike in the printing trade has so handicapped and delayed the printing of this office that I am unable to say when this folder may be ready for distribution. I hope the enclosed typewritten statement will aid county officials in their annual settlement and will be of material service to the county superintendent in preparing and checking his annual statistical report.

It is always advisable for each school district as well as each county to close the scholastic year free of debt. The depression in business, the stringency in the money market and the postponement of taxes last spring made it difficult to carry out this policy this year.

School trustees have no authority to contract debts. (Sec. 1777 of the code). All school loans should be negotiated by the county board of education (sec. 1806 of the code). A careful observation of this requirement of the law will avoid dangerous complications in school bookkeeping.

I thank you most cordially for the cooperation given the state superintendent during the last twelve months. Though the financing of the schools has been the most difficult in my official experience, the school organization has been held together successfully and efficiently. This could not have been accomplished without the hearty and active cooperation of the county treasurers and the diligent attention of the county superintendents of education.

Yours respectfully,  
J. E. Swearingen,  
State Supt. of Education.

## Kenneth Roy Cook

Kenneth Roy Cook, son of Mr. and Mrs. Colie Cook of near Prosperity, died last Thursday afternoon at 5 o'clock, aged 8 months and 9 days, and was buried at Colony church on Friday afternoon at 4 o'clock.

In the absence of the pastor, Rev. L. P. Boland, the funeral services were conducted by Rev. Jas. A. McKeown of Prosperity, assisted by Rev. J. W. Carson of Newberry.

The child was not thought to be seriously ill and its sudden death is a severe shock to the bereaved parents to whom we extend our deepest sympathy.
